Work History

Position, 06/2018 to Current

Company – Company City, Company State

- Work backward, with your current or most recent job first.
- Focus on major responsibilities and work achievements rather than daily tasks.
- **Example: “Marketed properties on various channels to produce 1-5 qualifying buyers per open house.”**

Position, 06/2015 to 05/2018

Company – Company City, Company State

- Highlight skills and tasks that relate to the job you're applying to.
- Use action verbs that give your achievements more power (e.g., “**Consulted with 5-10 buyer and seller clients to close deals on a weekly basis**” instead of “**Was responsible for consulting with 5-10 buyers and seller clients**”).
- Give your accomplishments more weight by using numbers and metrics (e.g., “**Created relationships with clients that led to a 60% successful closing rate**”).

Position, 07/2012 to 06/2015

Company – Company City, Company State

- If you're switching career fields, emphasize “transferable skills” that make sense in the new job (for instance, **if you previously worked selling products door-to-door or in a retail environment, highlight your sales accomplishments if you're seeking a real estate agent job**).
- Unless you're applying to a job that requires extensive experience, limit your work history to the last ten years of your career.
